##### Introduction of the school

At Southwestern Academy, you can reach your highest potential while taking college prep classes, participating in sports and activities, and making lifelong friendships. Our students study on two picturesque and complementary campuses in **San Marino, California, and Rimrock, Arizona.**

##### Introduction of Winter/Summer Camp

At Southwestern Academy, our Summer Adventures program combines education with fun activities. Students can enjoy summer while working towards graduation requirements. Summer Adventures is held on the San Marino campus for grades 7-12 and the Beaver Creek Ranch campus for grades 9-12. We offer college preparatory classes and an English as a Second Language program.

##### Introduction of special shorter program

Our ESL program allows students to take certain classes concurrently as they study English. The goal of the ESL program is to mainstream each student into a regular high school program as quickly as possible. This normally takes from 18 to 24 months for a beginning student
