## Introduction of the school

Founded in 1842, Ohio Wesleyan is located in Delaware, Ohio – a quick 25 minute drive from Columbus. OWU offers more than 90 undergraduate majors and confers Bachelor of Arts, Fine Arts, Music, and Science degrees. From Accounting to Zoology, there's an academic program for just about everyone. OWU also offers a wide array of preprofessional programs such as business administration, pre-med, pre-law, pre-vet and 3-2 engineering. Students are encouraged to combine majors to broaden their skills and opportunities with a second major

OWU is featured in the book *Colleges That Change Lives*. All students learn in small classes taught directly by faculty members who are accomplished teachers, researchers, and practitioners and caring mentors. Through our signature <u>OWU Connection</u> program, all students are guaranteed experiences for research, internships, travel learning through <u>Connection Experiences</u>. The experiences of our students result in strong outcomes: 95% of 2019 graduates report being employed and/or in graduate school.
