桑頓中學 Thornton Academy

Virtual Lincoln American Education Fair in Taiwan

Introduction of the school

Thornton Academy is a co-educational, private boarding and day school serving grades 6-12. Located 90 minutes from Boston, we have been preparing students for a changing world since 1811. Thornton Academy offers a diverse academic curriculum including more than 200 courses, a STEM Center, an award-winning visual and performing arts program, competitive athletics including over 50 different sports teams, and a wide selection of extracurricular activities. At Thornton Academy, you can be who you are and become who you want to be.

Introduction of Winter/Summer Camp

Thornton Academy summer programs offer students a taste of American education and a way to improve English language skills while making new friends in a beautiful, natural setting. Class sizes are kept very small, students come from all over the world (including local day students!), and teachers take care of the students throughout the entire day. Students choose from over 20 classes and participate in at least two activities each day. Some favourite activities include fishing on a lobster boat, going hiking, watching the sun set over the ocean, playing games on campus with your new friends. Join us to see what the fun is all about!

Introduction of special shorter program

Thornton Academy offers short-term stays of 1-3 months during the academic year for students who want to try out a new school without committing to the full academic year. Student choose a full schedule of 8 different classes and have the option to live in the dormitory or with a local host family. See if a Thornton Academy education is right for you!

視訊說明會時間：2020 年 10 月 17 日(六) 09:00 – 09:20 a.m.
