艾德蒙社區學院 Edmonds College

Virtual Lincoln American Education Fair in Taiwan

Introduction of the school

Edmonds College offers two-year university transfer degrees, English as a Second Language (ESL), professional degree certificates and a Washington State High School diploma. Our beautiful park-like campus is located 30 minutes north of the innovative and bustling city of Seattle in a safe residential neighborhood. Edmonds College provides free comprehensive support services such as tutoring, advising, career exploration, all with supportive, caring faculty whose priority is to help students succeed in the United States. Edmonds College recognizes the growth of STEM (Science, Technology, Engineering, and Math) careers, especially being in proximity to the home of Boeing and Microsoft, and maintains the standard of providing top quality education through the opening of the new SET (Science, Engineering, Technology) Building in 2020.

Upon completion of a transfer degree, you can transfer to your university of choice! Our graduates have transferred to nationally ranked universities all over Washington, the United States, and abroad!
